When the Management of The Washington guarantees an attraction theater-goers can depend upon seeing something above the ordinary run of engagements. The first superb looking this season was that of last night, "The Triumph of an Empress," with Miss Mildred Holland as the star. The company, scenery, costumes and every detail connected with the play were far beyond anything that has been here for some time, and it is regretted that a larger house did not witness the excellent production. Miss Holland was warmly greeted and her work especially appreciated.

SOCIAL EVENTS

The graduates and scholars of the Maysville School of Phonography were entertained last evening by the Principal, Miss Bessie Johnson, in a most delightful manner.

Miss Phoebe Marshall gave an elegant dining yesterday at her home at Washington.

Miss Beale Wells Edgington, daughter of Mrs. E. S. Edgington, entertained Wednesday evening in honor of her eleventh birthday. Forty-three of her friends responded to invitations. Delicious cakes and icecream were served, and the little folks went home wishing her many returns of the day.

MISS CHARLOTTE BURNETT.

The Columbia (Pa.) News says: "Miss Charlotte Burnett appeared at the Opera-house Saturday afternoon and evening and presented her latest success, 'The Honey-moon.' Miss Burnett was seen here last season in Shakespeare's Twelfth Night. This season her play is a high class comedy abounding with amusing situations as well as telling a pretty story. As Julianna, she gave a clever interpretation of the character. Her supporting company includes George Sylvester as the Duke and husband of Julianna, and Miss Eric Lacy as Volante was also excellent."

The "Honey-moon" will be at The Washington Saturday, October 21st. Seats now on sale at Ray's.

NOT A CANDIDATE.

Editor Public Ledger, Maysville, Ky.—Dear Sir: Allow me, through your paper, to thank the friends who have thought they would like to vote for me for Mayor of Maysville. I cannot at this time get my consent to neglect my private affairs in order to make the race for any other office. I hope to continue to serve you as a private citizen in the future as I have in the past. Very truly,
JOHN DULEY.

CITIZENS' MEETING

Movement to Nominate a City Ticket Falls Through

The public pulse was beating high all day yesterday in expectancy of the results of the meeting called to assemble in the Council Chamber last evening at 8 o'clock.

The manner in which the movement petered out was something of a farce, to say the least.

The non-arrival of those who had taken an active part at the Y. M. C. A. Hall Wednesday night gave rise to the suspicion that all was not well with the movement, and when Dr. Anderson Ellis came in and took a back seat without saying a word it was self-evident that the jig was up.

At five minutes to 8 o'clock Chairman I. M. Lane entered the Hall, and taking the speaker's chair called the meeting to order.

After stating the purpose of the call he outlined the proceedings of the meeting held in the Y. M. C. A. Hall Wednesday evening and further said that the Committee appointed at that gathering to select suitable candidates for Councilmen in the various Wards of the city had concluded and so reported that in the wisdom of said Committee the time intervening was too short, and recommended that matters remain as they are, and let it stand as a free-for-all fight, and may the best man win.

He said that his position on the temperance question was well understood—he loved the men engaged in the traffic but despised the business; that the mutterings on this occasion were a warning to the saloon keepers that the men posted on Sundays as outlooks was offensive to the Church-going community and would not longer be tolerated. As much as to say—a word to the wise is sufficient.

The meeting then adjourned without date.

The sudden collapse was a dire disappointment to several East End orators who had come loaded for a set speech. The candidates were present in force.

"COUSIN KATE."

"What will be the attraction at the Opera-house next week," sweetly asked the mistletoe girl of the man who does the hooking. "Now," he answered, "if you would just look at the billboards and read the papers, you would notice that one of the cleverest actresses on the American stage is due to appear here Monday night. It is Alberta Gallatin, and she is playing the title role of 'Cousin Kate.' Maybe you are not acquainted with Miss Gallatin's reputation. Well, I don't think that this city will see a better actress this season, and as to the supporting company, it is a good one. The seat sale opens Monday morning at Ray's and you will miss a treat if you don't see her."

The charter of Warren Lodge at Harrodsburg has been revoked by the Grand Lodge of Kentucky Masons.

Murray & Thomas have just erected for Mrs. McCormick, on the lot of the late Andrew Coons in the Carlisle Cemetery, a Barre Granite monument costing \$1,020.

WHEN some of the Bosses get their second breath and see what they have done,—well, where will they be at, anyhow?

I HAVE been asked why the recent "Convention" didn't nominate a candidate for County Attorney. I don't know; ask the "Bosses."

"ROCKEFELLERITIS" is pronounced the latest disease of the American people. It is unnecessary to add that Editors are in no immediate danger.

THE Bath-Rowan Bosses refused to nominate an opponent to the Democratic candidate for the Legislature; but the journeymen Republicans took the matter up and have named THOMAS BARBOUR of Rowan for the place.

THE way to create public sentiment is to come out in the open and fight undesirable conditions. The Courthouse belongs to all the people, and no should not be afraid to speak in public what he says in private in regard to city or county affairs.

THE Washington correspondent of The Courier-Journal has a forty-horse-power belly-ache because President ROOSEVELT has issued an order authorizing Heads of Departments to summarily dismiss any Civil Service employee who misconducts himself or who is inefficient. The President is right; and if he would only extend the sphere of dismissal, the public service would be vastly improved.

MAYBE, after the election, there'll be another generation of "Bosses."

THERE'S only one really good and honest man in Cincinnati; and he's the Publisher of The Post.

By direction of President ROOSEVELT, hereafter a Cabinet officer will have the power to remove summarily and without hearing any civil service employee in his Department who, to the personal knowledge of the head of the Department, has been guilty of misconduct, or who is inefficient in the performance of his duties. By the terms of the amendment the Cabinet officer must have personal knowledge of the misconduct or inefficiency of the employee whom he proposes to discharge. With this personal knowledge the power of the head of the Department is absolute. For the efficiency of the service, it is hoped the President will extend his order to some of the outlying districts, where now public office is treated as a private snap.

Political Pickings

AFTER THE FASHION OF MASON.

Louisville Herald.

A very cold deal has been handed out, evidently, to the Republicans of Kenton county, by the so-called Republican bosses there. The Republican Bosses want the city government of Covington. The Democratic Bosses want the four legislative votes of Kenton, one Senator and three Representatives at Frankfort. The Bosses put their heads together and the Republicans named a very weak legislative ticket against a very strong Democratic legislative ticket. The Republican Bosses nominated a servile ticket for county and city municipal offices and then showed their greed by proposing an unnecessary bond issue. The Democratic primary nominated a ticket for county and city offices which an effective Republican ticket could easily beat. But the rumored deal between the Bosses; the proposed bond grab and the general disgust felt in Republican ranks at puny and pitiful Bossism management have worked utter demoralization in Republican ranks in Kenton. The registration shows an enormous Democratic plurality. Hundreds registered as Republicans will vote—justly so—to down the machine that has sold the party out so basely and so brazenly.

MISTAKES.....

Are frequently far-reaching, and universally so when one buys any article other than the very best in the way of supplies for the table. The country is full of stale, inferior and poisonous stuff, which is every day being palmed off on an unsuspecting public for good and wholesome foods. Because of this the straight-forward, honorable and conscientious dealers throughout the country are united in an effort to induce Congress to pass a universal pure food law, which will prohibit the manufacture and sale of impure and poisonous foods, such as are now being sold by unscrupulous dealers, and consequently drive out of business all the "cheap john" concerns that deal only in such stuff. I began business in Maysville over twenty-five years ago determined to only handle the best, and act honorably with my customers and never misrepresent anything to make a sale. Whatever of success I have had with you I attribute to at all times standing by that determination. My experience of more than forty years in the business has qualified me to know the good from the bad when making my purchases, and has also satisfied me the true road to success is to deal fairly and honorably with the public, sell the best goods at fair prices and never practice deception to make a sale.

I am now getting in my larger purchases for the fall and winter trade and I do not hesitate to say that when all is said and done I shall have the largest, cleanest, most varied stock of high grade goods ever offered in our city. My stock of Canned Goods and Fancy Groceries of all kinds will be immense, bought at the lowest prices, any jobber can buy them, very much lower than such goods can be bought at today, consequently I shall be prepared to meet any and all competition. My special brands of Red Canvas Hams and Breakfast Bacon and fine Leaf Lard are becoming more popular each day with those who only want the very best.
Perfection Flour is the leading flour and the sales are increasing rapidly because it has been proved to be the best and purest sold in this market; always reliable. I don't have to be continually changing to find something better. It is truly what the word implies—Perfection.
In fine Blended Coffee I have the run, because I sell only the best at reasonable prices, always fresh, still going at 15c, 20c and 25c. I want every person to visit my store, and a special invitation is extended to country people when in our city to make my house their headquarters. You are always welcome, and it will be the old-fashioned Kentucky kind. I pay cash for Butter, Eggs, Poultry and Country Produce such as I need in my trade, but will only buy the very best. If I please you I want you to be sure and tell all your neighbors and friends. If anything wrong, come direct to me and don't mention it to any one else; I make everything right.

Sixteenth Annual Meeting

YESTERDAY'S PROCEEDINGS

Of the Woman's Home Mission Society of Kentucky Conference, M. E. Church, South

The Woman's Home Mission Society of the Kentucky Conference Methodist Episcopal Church, South, met in its sixteenth annual meeting in the First M. E. Church, South, Mayville, Ky., at 9 a. m. October 18th, 1905, Mrs. J. J. Dickey, President, in chair.

For the devotional service Mrs. Dickey had cards distributed on which were the following Scripture verses: Ecclesiastes 9:10; Luke 16:10, 19:17; Jeremiah 48:10; Revelations 2:10; Revelations 2:1, on which she made some very helpful and profitable comments.

On account of the decease of our beloved Mrs. Annie E. Overstreet of Lexington, it was necessary to elect a Recording Secretary. Mrs. Arthur O'Rear was elected to that office.

The President, Mrs. J. J. Dickey, gave us a little glimpse of what she had been doing in the past year. She certainly has the good of the Society at heart and is giving the best of her time to it. We believe that whatever she does in word or deed she does it to the glory of God. The Corresponding Secretary made her annual report, which showed an increase in membership and finance.

The total membership of the Societies organized this year was 1,055, and the total amount of money spent in this Conference was \$4,918.45.

In the absence of the First Vice-President, Mrs. L. W. Howe, Superintendent of Parsonages, the Corresponding Secretary read her report. Many Parsonages had been aided during the year.

Mrs. M. H. Edwards, Second Vice-President and Superintendent of Titling, made a good report.

Mrs. J. C. Johnson had charge of the de-

votional hour just before noon. She read as a scripture lesson the 66th chapter of Isaiah and talked from John 20:22, 23.

The service closed by singing the doxology. Mrs. Arthur O'Rear had charge of the devotional hour after noon.

The Third Vice-President, Miss Fannie Collins, Superintendent of Baby Roll and Florine McEachern Mite Box Brigade, gave a full account of her work. Mrs. F. K. Struve, Superintendent of Supplies, made an interesting report of her work.

In the absence of the Treasurer, Miss Lena McIntire, on account of the death of her sister, the President made the report, giving the total receipts and disbursements of the money throughout the year.

Mrs. J. J. Dickey offered a prize of \$5 to any individual member of any auxiliary in Kentucky Conference who would make an annual report to tally with the Treasurer's report for the next annual meeting.

The following Committees were appointed by the Chair—

Extension of Work—Mrs. Edwards, Miss Fannie Collins, Miss Carrie Collins, Mrs. Oden, Mrs. Rapp, Mrs. Arnold, Miss Dacres, Miss Petry, Mrs. J. H. Stephenson, Mrs. Adelia Woods, Miss Katherine Shaw; Mrs. J. J. Dickey, Chairman.

Literature and Press—Mrs. Johns, Miss Farlee, Miss Collins, Mrs. Oden, Mrs. Rapp, Mrs. Arnold, Mrs. J. H. Stephenson; Mrs. Hoffman, Mrs. Andrew Sult, Mrs. Harrison; Mrs. Britt, Chairman.

Resolutions—Miss Nannie Edwards, Mrs. Nell, Mrs. Sadler, Mrs. Anderson, Mrs. Madrox; Mrs. E. H. Pearce, Chairman.

A memorial service was held in honor of Mrs. Annie E. Overstreet, who had been Recording Secretary since 1898. The President, the Corresponding Secretary and others spoke in a very touching way of her life, work and character and how greatly they miss her from their midst. Her life was one of love and blessing, and we know that our loss is her gain. While she is separated in body from us, yet we believe her influence still lives. An obituary will be contributed to the minutes.

The service was closed by singing "Jesus,

Lover of My Soul" and pronouncing the Benediction.

At the evening session the choir sang "Tell the Story Once Again" and "Face to Face."

Mrs. J. C. Johnson led the devotional service and Rev. Bunton offered prayer.

Mr. Lloyd K. Muse sang a beautiful solo.

The Address of Welcome from the Mayville Auxiliary was delivered by Miss Louise Best, and the response from the Woman's Home Mission Society of the Kentucky Conference was delivered by Mrs. Mary C. Rapp, Secretary of the Mayville District.

Miss Hannah M. Pearce, Superintendent of Christ Hospital, Cincinnati, gave a very interesting, instructive and beneficial talk on the Deaconess work in the Hospital.

The evening service closed with the Doxology and the Benediction.

Yesterday's morning session opened with the President, Mrs. J. J. Dickey, in chair. She spoke of the disappointments caused by the failure to secure for the annual meeting the presence of Miss Helm and Miss Belle Bennett, the world renowned Prof. Graves of the Chicago slums.

The Covington District Secretary, Miss Carrie Collins, made a most excellent report. There are six auxiliaries that observe the Week of Prayer. "Our Home" is taken in every auxiliary but one. At the District meeting held at Elveth street, Covington, \$47 was raised to furnish a room in the Homer Tabernacle Deaconess Home at Los Angeles, Cal. Thirty-eight reports were received during the year.

The delegate from Cynthiana, Mrs. Orie Lebus, made a splendid report. The Treasurer's report exactly agreed with this one.

The Covington Auxiliary had no delegate, and their report was not made; but the Treasurer's report of this Society was given.

By a question raised quite a discussion was carried on concerning the local work. Several gave their experience in converting a Ladies' Aid Society into a Home Mission Society and the great need of it. The Aid Society is not Methodist, and our Preachers, as it was said, are partly responsible for this.

The Crittenden and Dry Ridge report was

given by Mrs. B. N. Harrison. The sick and needy received special attention.

The Augusta Auxiliary was represented by Mrs. W. C. Sadler, showing \$12.35 as the total amount raised.

Mrs. W. M. Britt, as delegate of the Iroquoisville Auxiliary, made her report, which showed that they had given \$35 to the Connectional Fund and \$30 for local work.

The devotional hour having arrived, Sister J. C. Johnson had the audience stand and sing "Rock of Ages."

The service adjourned, after the collecting of certificates, by repeating the Lord's Prayer, to meet at 2 p. m. Mrs. ARTHUR O'REAR, Recording Secretary.

DON'T EXPERIMENT.

You Will Make No Mistake if You Follow This Mayville Citizen's Advice.

Never neglect your health. If you are always tired or have pain in the back, urinary disorders, dizzy, or nervous spells, it's time to act. Doan's Kidney Pills is that remedy, and if you wish to be cured of kidney trouble without experimenting do not fail to use it. Others have been cured and cured permanently. Why not follow the advice of a Mayville citizen and be cured yourself.

George N. Crawford, blacksmith and wheelwright, at Second and Lee streets, and living at 216 Lee street, Mayville, Ky., says:

"In the spring of 1900 I gave a testimonial telling what Doan's Kidney Pills had done for me, and I am pleased to say I can just as warmly recommend this remedy now as I did then. No other medicine ever gave me such prompt and positive relief from backache and kidney trouble as Doan's Kidney Pills, procured at J. Jas. Wood & Son's Drugstore, and I believe them to be by far the best remedy for kidneys there is. Sufferers from such troubles ought to give it a trial."

HEAD SOLID SORE

Awful Suffering of Baby and Sleepless Nights of Mother.

CURED BY CUTICURA

Skin Fair as a Lily with no Scar to Recall Awful Sore Writes Mother.

"I herewith write out in full the beginning and end of that terrible disease eczema," says Mrs. Wm. Ryer, Elk River, Minn., "which caused my babe untold suffering and myself many sleepless nights. My babe was born seemingly a fair, healthy child, but when she was three weeks old a swelling appeared on the back of her head, and in course of time broke. It did not heal but grew worse, and the sore spread from the size of a dime to that of a dollar. I used all kinds of remedies that I could think of, but nothing seemed to help; in fact, it grew worse. Her hair fell out where the sore was, and I feared it would never grow again. It continued until my aged father came on a visit, and when he saw the baby he told me to get Cuticura Soap and Ointment right away.

"To please him I did so, and to my surprise by their use the sore began to heal over, the hair grew over it, and to-day she has a nice head of hair, her skin is as fair as a lily, and she has no scar left to recall that awful sore, and it is over eight months and no sign of its returning."

CURE PERMANENT

"Your letter of the 19th inst. received, asking in regard to the cure of my baby some six years ago. Well, the disease has never returned to her head which at that time was a solid sore on top and down the back."

INDUSTRIAL SCHOOL

Institution in the First Ward Doing an Excellent Work

Do you know that there is an Industrial School in Maysville that enrely needs your help?

On a recent walk through the First Ward I chanced upon the work being done by the Woman's Club. Twenty children are gathered there on Wednesday and Saturday afternoons and are being taught to sew and are otherwise brought under the influence of Christian women.

My own heart thrilled as I saw the response of the children to this hand of love extended to them. A few of our ladies, touched by the need of so many neglected homes, are trying to do what they can. Shall they have your encouragement?

The expense, including rent, employment of teacher, coal and other supplies for the school, does not much exceed \$25 a month. A stove and coal will be needed very soon. Gifts of clothing and material for garments to be made by the children will be especially acceptable.

A small monthly subscription from our citizens would promise all that is needed. Will it not be a crying shame and mortification to us as a Christian community if we let this effort fail? I cannot believe that our people will withhold their help when they learn the character of work done and the excellent success.
